Philosophy for Children

Philosophy for children is a teaching approach with aims to develop and foster children's critical thinking skills in a caring and supportive way. Children take part in class discussions and activities which help them to express themselves, build vocabulary and treat others who have different opinions to them with respect. Every Friday, we will publish on our newsletter a philosophy based question. Please talk about this over the weekend with your child; we will then discuss the questions as a whole school during Collective Worship each Monday.

This week, our philosophy question is:

Can we cope without numbers ?

We look forward to hearing the children's ideas!

Crisp Packets

Walkers has launched the nation's first Crisp Packet Recycling Scheme, turning empty crisp packets into new useful things. As a school, we will be collecting any empty crisp packets. For every 400 packets we collect, we can raise £2.00. The PTA will be collecting the packets regularly and using the funds raised. A great project to be a part of. A collection box is situated in the school office reception area.

Lost Property

We have a lot of uniform and other lost property that no one has claimed. If your child is missing any uniform please claim it as soon as possible. We are planning to offer it to anyone who would like it in a few weeks in exchange for a small donation to the PTA fund. Any left over at the end of the term will be given to charity.

Midsummer Feast

As part of Norse Commercial Services' theme days, tying in with the school curriculum and national events, we will be holding a special "Midsummer Feast" on Monday 24th June.

Letters and Menu information have been sent home today. Please return confirmation slips to the school office by Wednesday 19th June.
