Dear Parent or Carer

RE: Breakfast Club

If your child attends St Mary's Junior School, a member of staff will take your child across to the Junior School following Breakfast Club each morning. Your child will be taken across the playing field as we feel this would be the safest route. Please ensure that they have the appropriate footwear for the inclement weather.

To confirm that you agree to the arrangements, please complete the form below.

I am happy for my child _____ to be escorted by a member of staff to St. Mary's Junior School where they will be handed over to a member of the Junior School staff.
