Message from Mrs. Haines

Three weeks to go! The children have been full of excitement and sharing their news with me this week. We seem to have a lot of birthdays at this time of year and of course, the fair has arrived.

We have also had to cope with some staff absences this week from Covid, which despite no longer appearing on the news, is still impacting our lives. As ever my staff have rallied and we have covered the absences.

I had the pleasure of hearing some of the Reception children read this week and I am so proud of how their reading skills are developing. Please continue to hear your child read at home. It is such a vital skill for life and as the saying goes, every little helps. Both Squirrel and Hedgehogs classes performed their Country Dancing for me this week. They had learnt two dances and I could see they thoroughly enjoyed their dancing experience. It certainly took me back to my primary school days.

Have a lovely weekend.

Mrs Haines

Leave of Absence

If your child is unable to attend school due to illness, please call the school office and leave a message on the absence line before 9.00am so we can inform the teachers of the reason and log the absence on our registers.

For medical appointments, we do require a form to be completed and we may ask to see evidence of the appointment date and time for our records. Please let us know as soon as possible if your child has any appointments and in the case of emergency appointments, call the office on the day.

For holiday absence, we need a holiday request form be completed and submitted prior to the planned absence. Please note that the Head Teacher is unable to authorise any holidays unless exceptional circumstances. Failure to complete a holiday absence form will result in unauthorised absence
